

The Fitting Connection

November 2010

PHCC North Texas News

The PHCC North Texas November 16th lunch meeting will be held at Brookhaven Country Club from 11:30 am to 1:00 pm. Nancy Jones (PHCC Texas Executive Director) and Barry Bankler (President of PHCC Texas) will be our guest speakers. One of the topics that will be covered is the new sliding scare for contractor members.

Every year at our November meeting we collect non perishable food for the North Texas Food Bank. They especially need items such as can tuna, spam, peanut butter and other items with protein. We will have a drop off outside again this year so that you do not have to carry the food items inside.

October Meeting

Dennis Mellan with The CompPAC Trust of Texas presented the member of the Trust with the largest refund to date— Seven Hundred Thirty Two Thousand, Four Hundred Fifty Three dollars. If you haven't been quoted a cost for you workman's comp insurance by First Cardinal you might want to take advantage of this "members only" Insurance Trust.

State Talk From Nancy—November 2011

PHCC TEXAS WINS TOP HONORS AT NATIONAL CONVENTION

Jo Wagner (CTO Inc, Harlingen) was awarded the Colonel George D. Scott Meritorious Service Award at the PHCC National Convention in Las Vegas October 26-30. This award is given only to those contractors who have demonstrated the highest level of service to PHCC National. Jo has served as National PHCC President, Vice-Chair of the PHCC Educational Foundation, Chair of the PHCC Government Relations Committee, PHCC Texas National Director and as a PHCC Texas Board Director. She has testified at both the federal and state levels on behalf of PHCC legislative issues. Jo was instrumental in developing the Rio Grande Valley Apprenticeship Program and numerous educational programs in South Texas. **“I am very honored to serve PHCC, and humbled to receive this award,”** said Ms. Wagner.

PHCC Texas Apprentice Contest Winners won top honors at the National PHCC Apprentice Contest in Las Vegas October 28. First Place winner was Jose Macedo (Raven Mechanical, Houston,) and Andres Rodriguez (Rio Grande Valley Apprenticeship Training Program) won third place. Twelve apprentices from other PHCC Chapters competed in the contest. **“We are so proud of these two young men, who represent the most skilled apprentices in our trade,”** said Bill Jones, PHCC National Education Foundation Chair.

PHCC Texas also won top honors at the PHCC National Convention – Distinguished Chapter Award, Best Website and Best Convention Promotion. The convention was held at the Paris Las Vegas Hotel and was attended by 800 contractors, chapter executives and suppliers. The meeting included contractor educational sessions, leadership workshops for chapter executives and officers, product show and various social events. Frank Maddalon (F.R. Maddalon Plumbing & Heating) was elected 2010-2011 National PHCC President.

PHCC TEXAS PRESIDENT TO ADDRESS NORTH TEXAS CHAPTER MEETING

Barry Bankler, 2010-2011 PHCC Texas President, will speak at the November 16 North Texas Chapter Meeting. His topics will include the new PHCC Texas membership dues program, training and the upcoming legislative session. Owner of Gibson Plumbing in San Antonio, Barry purchased the company in 2003 from William and Billy Gibson, who founded the company in 1954. Barry has been active in PHCC since 2003 and has served as Chair of the PHCC CCA (Construction Contractors Alliance.)

Nancy Jones, PHCC Texas Executive Director, will also present an update on PHCC Texas activities.

MARK YOUR CALENDAR!

Plan to attend the first PHCC Texas Roundup on June 16-17 at the PHCC Texas facility in Buda! This is a brand new event, replacing the annual convention this year. **We'll kick it off with a reception/dinner at the Salt Lick, famous Texas BBQ restaurant just a few miles from Buda. The opening breakfast will be held June 17 at Cabela's, world's foremost outfitter store (just down the street from PHCC Texas!)** Bob Maxwell, Executive Director of the Texas State Board of Plumbing Examiners, will speak at this breakfast.

Educational sessions at Cabela's and the PHCC Texas facility will follow, in addition to the 5th Annual Apprentice Contest and a Hamburger Cookout. You can come just for the day or join us for the opening event at the Salt Lick – plan to attend!

Stronger Growth for Remodeling Projected for 2011

Substantive growth in remodeling spending, coming off a three year decline, seems likely in 2011, according to the Leading Indicator of Remodeling Activity (LIRA) released by the Remodeling Futures Program at the Joint Center for Housing Studies of Harvard University. Even though spending is still below its 2007 peak, the LIRA indicates that homeowner improvement spending is expected to be up at a double-digit pace at an annual rate through the first half of 2011.

OSHA Training Class Length Shortened

OSHA recently revised its policy for all Outreach Training Programs to address the number of hours each day a student may spend in OSHA 10- and 30-hour classes. OSHA revised the length of daily classroom instruction to prevent workers from being saturated with so much information that they may miss content that could prevent injuries, illnesses and death

CODE of ETHICS for "Plumbing, Heating, Cooling Contractors"

- To consider our trade worthy as affording us distinct opportunities to serve society.
- To improve ourselves, increase our efficiency and enlarge our service, and by doing so attest our faith in the fundamental principles of life, that we profit most who serve best.
- To realize that we are businessmen and ambitious to succeed; but that we are first ethical men, and wish no success that is not founded on the highest justice and morality.
- To maintain the highest ethical standards of advertising, pricing, selling, installation and service guided by the principles of honesty and integrity.
- To promote the latest technological advances in the design, types and methods of installation of plumbing-heating-cooling systems; using equipment and materials complying with the standards recognized by this industry.
- To enter enthusiastically into the association work—to give us as well as take—and do our part in elevating the industry.
- To support all progressive moves that are being carried out along the lines of trade extension, standardization and sanitation.
- To conduct our affairs that others in our business will find it wise, profitable and conducive to happiness to emulate our example.
- To follow and execute our work in conformity with federal, state, county and city building, safety, energy and water conservation, fire and housing codes; and refusing to be a party to any action that violates these regulations.
- To promote conservation of water and energy to the public we serve through improved, adequate, safe, modern installation of energy efficient equipment.

Do you agree to abide by the above Code of Ethics of this association? (must check one) Yes No
