## PHCC North Texas News

### February Lunch Meeting

The PHCC North Texas lunch meeting will be held on Tuesday, February 15, 2011 at Brookhaven Country Club, 3333 Golfing Green Drive, Dallas, from 11:30 to 1:00 pm.

### Journeyman/Tradesman Prep Classes

PHCC North Texas has revamped our Prep Classes. We are now doing a one day prep class. This class will cover shop, rough in and minimal written work. The applicant should have already completed the 40 hours required by the TSPBE before taking this class. The cost for members is \$175 and non-members is \$225. There is an application with dates in this newsletter.

### PHCC North Texas/The CompAC Trust of TX Golf Tournament Set

The 12th annual PHCC North Texas Golf Tournament has been scheduled for April 19, 2011 at Coyote Ridge Golf Club, 1640 Hebron Parkway, Carrollton, TX. Sponsors, Teams, Raffle Items and Goodie Bag items are needed. Tony Cox, United Mechanical is the Golf Chairman. You may contact Tony 214-808-0624 or the PHCC office 972-818-1990 if you wish to participate this year. Forms for the golf tournament are at the end of this newsletter.

### Associate of the Month

**This year we have a new way to be "Associate of the Month". You need to bring three (3) *potential contractor members* to a lunch meeting. Being Associate of the Month will include a write up in the newsletter, a listing on our web site for that month and a presentation at our lunch meeting.**

### Associate News

Epic Supply now has a location in Dallas. It is 10465 Shady Trail, Dallas TX. 214-276-0944, fax—214-276-0945

### Reminder

PHCC North Texas has a new address—1911 Timbergrove Circle, Dallas, 75208.

## State Talk From Nancy—February 2011

### IMPORTANT LEGISLATIVE UPDATE

*WE HAVE A FIGHT ON OUR HANDS THIS SESSION!* **The Governor's Office announced that the Governor plans to move the Plumbing Board over to TDLR! He is closing some agencies and consolidating others - and the Plumbing Board is considered a perfect fit for TDLR. But we know it's not! TDLR is a licensing umbrella agency that includes air conditioning, electrical, elevators, boxing, wrestling, talent scouts, barbers, cosmetologists, tow trucks.....and many others!**

The Plumbing Board is an independent agency, strong in enforcement and training programs. It has been visited by many states who wish to use our law and Plumbing Board as a model for their state. Bob Maxwell, Executive Director, does an excellent job managing the Board and Staff and ensuring quality enforcement. We are all very fortunate to be part of this agency - **and we don't want to lose it!**

Our new lobbying team, Dan Shelley and Associates, is working with us to develop a plan to keep our agency. Dan has represented the Responsible Plumbers Association in Houston for a number of years, and is very familiar with our industry and the Plumbing Board. The Responsible Plumbers Association is joining forces with PHCC Texas, which is a Win/Win for everyone! They will join as PHCC members and will have the benefit of our educational programs, benefits and staff. We are fortunate to acquire the services of their excellent lobbying team. We are establishing a RPA legislature subchapter, which will include levels of sponsorship/incentives to fund the lobbying team and other legislative services.

**The timing couldn't be better, as Dan is already hard at work on our behalf. We'll arrange for him to speak at one of your chapter meetings soon.** Meanwhile, please make sure you are familiar with your legislator and senator so that you can contact them when needed.

Our Walk on the Capitol on Feb. 1 was very successful, with 30 participants and visits with over 40 legislators. **It's too bad that we didn't know about the Governor's Plan at that time, but at least we made good contacts at the Capitol.**

I would appreciate hearing from any of you concerning this possible consolidation of TSBPE and TDLR. Email me at [njones@phcc-tx.com](mailto:njones@phcc-tx.com) anytime!

Thank you for your great support of PHCC North Texas and PHCC Texas! Together we win!

## CODE of ETHICS for "Plumbing, Heating, Cooling Contractors"

- To consider our trade worthy as affording us distinct opportunities to serve society.
- To improve ourselves, increase our efficiency and enlarge our service, and by doing so attest our faith in the fundamental principles of life, that we profit most who serve best.
- To realize that we are businessmen and ambitious to succeed; but that we are first ethical men, and wish no success that is not founded on the highest justice and morality.
- To maintain the highest ethical standards of advertising, pricing, selling, installation and service guided by the principles of honesty and integrity.
- To promote the latest technological advances in the design, types and methods of installation of plumbing-heating-cooling systems; using equipment and materials complying with the standards recognized by this industry.
- To enter enthusiastically into the association work—to give us as well as take—and do our part in elevating the industry.
- To support all progressive moves that are being carried out along the lines of trade extension, standardization and sanitation.
- To conduct our affairs that others in our business will find it wise, profitable and conducive to happiness to emulate our example.
- To follow and execute our work in conformity with federal, state, county and city building, safety, energy and water conservation, fire and housing codes; and refusing to be a party to any action that violates these regulations.
- To promote conservation of water and energy to the public we serve through improved, adequate, safe, modern installation of energy efficient equipment.

Do you agree to abide by the above Code of Ethics of this association? (must check one) Yes  No
